GEALED PROPOSALS, endorsed "Proposals for Beef," and "Proposals for Fork," as the case may be, will be received at this office until 9 e'clock, a. m., on Wednesday, the 15th day of July next, for furnishing and delivering, free of all cost and risk to the United States, at the following mayy-yards; Parrels pork 2,500 3,000 1,000

6,500 9,000 eef and park must be delivered at each of the respectively, by the last day of April, 1888; and y the last day of June, 1888, sulesse earlier deliv-red by the chief of this bureau. Payment to be

Samary 1835, and weighting sets, shoulders, humblers, hu

mandants of the respective navy-yards, according to the terms of the contract.

The parts of best to be excluded will be particularly designated in the engraving to be datached to the contract. Persons interested can obtain them on application at this effec.

Enders whose proposals are accepted (and none others) will be forthwith notified, and as early as practicable a contract will be transmitted to them for execution, which contract must be returned to the bureant within ten days, exclusive of the line required for the regular transmission of the mail.

A record, or displicate of the letter informing a bidder of the acceptance of his proposal, will be deemed a notification thereof, within the meaning of the set of 1846, and his bid will be made and accepted in conformity with this understanding.

Every offer made must be accompanied (as directed in the 6th section of the act of Congress making appropriations for the maxing covered to the days, with a contractive of 1846–47, approved 10th of August, 1846) by a written guarantee, signed by one or more responsible persons, to the effect that he or they understake that the bidder or bidders will, if his or their bid be accepted, enter into an obligation within ten days, with good and sufficient survies; to formink the article proposed.

This guarantee must be accompanied by the certificate of the United States district attorney, or navy agent, that the guaranteers are able to make good their guarantee.

No proposal will be considered alloes accompanied by such guarantee.

The bidder's name and residence, and the name of each member of

No proposal will be considered mines accompanied by such guarantee.

The bidder's name and residence, and the name of each member of
the firm, where a company edgers, with the Christian names written in
full, must be distinctly stated.

Under the joint resolution of Congress, approved 27th March, 1854,
"all bids for supplies of previsions, clothing, and small stores for the
use of the navy, may be rejected at the option of the department, if
made by one not known as a manufacturer of, or regular depler in, the
article proposed to be furnished, which fact, or the reverse, must be
distinctly stated in the bids offered."

Stamped Envelopes.

SEALED PROPOSALS will be received until 3, p. May 30, 1857.

SEALED PROPOSALS will be received until 3, p. M., of the 6th day of July next for furnishing all the stamped envelopes this department may require for a period of four years, viz: No. 1, or note size, 2½ by 4½ inches, of while paper, or in such proportions of bull and white as may be ordered.

No. 3, or official size, 3½ by 5½ inches, bull or white, or in such proportions of citizer as may be required.

Proposals are also invited for furnishing straw board boxes for packing parcels of envelopes of 100 to 500 each, and for wooden cases for packing parcels of to 25,000.

The envelopes to be made in the best manner, of paper of approved funlity, manufactured specially for the purpose, and such water-marks as the foatmaster General may direct. They must be gummed for sealing, at least 2½ inches on the point, banded in parcels of 25, packed without charge for packing, and furnished complete and ready for use, in such quantities as may be required to fill the orders of peats.

An agent of the department will furnish the address for each parcel.

masters.

An agent of the department will furnish the address for each parcel, which is to be pasted on the box by the manufacturer without charge. The dies for emboaring the postage stamps on the envelopes are to be executed in the best style, and they are to be provided, renewed, and kept in order at the expense of the contractor.

Badders are requested to furnish samples of paper, with their bids, of the quality they intend to use in the canufacture of the envelopes they propose to furnish.

of the quality they intend to use in the canutacture of the suvelopes they propose to furnish.

Bond and security will be required for the faithful performance of the contract, and payments under it will be made quarterly. Price, quality of samples, and the sufficiency of the bidder will be considered together in awarding the contract; and the Postmaster General reserves to himself the right to amoud it whenever he shall discover that the same, or any part of it, is effected for sale in the market for the purpose of speculation; and he will in no case sanction a transfer of the contract to any party who shall be, in his opinion, less able and qualified than the original bidder or contractor. The right is also reserved to annul the contract for a failure to perform faithfully any of its stipulations.

rerved to annul the contract for a failure to perform to the distributions.

The number of envelopes issued to postmasters in the quarter ending March 31, 1857, is stated below;

407,850 No. 1, stamped 3 cents.

8,741,250 = 2, 4 10 9,

7,900 (3, 4 0 4, 4 0 9)

The bids should be marked "Proposals for Stamped Envelopes," and addressed "Third Assistant Postmaster General, Post Office Department."

known that the mean Lawo District" at Brownsville.
For the "Norm Player District" at Nobraska City.
For the "Oakora Player District" at Nobraska City.
For the "Oakora District" at Dakota City, in said Territory,
Given under my band, at the city of Washington, this thirteenth day
of April, 1857.
By order of the President:

108. S. WILSON,

JOS. S. WILSON,
Acting Commissioner of the General Land Office.

APPRILE—Lawow

In MPORTANT TO COTTON PLANTERS, by which their incomes must be doubled.—The undersigned has invented and obtained letters patent from the United States for the arrangement and combination of machinery for converting seed cotton mio yarns by one continuous process, from the gin through the various proparation and spinning machinery, until it is ready for shipment or weaving.

The saving from waste by this process will be at least few per cent.; and yarns made from the fibre (unbroken and uninjuged by the operations of the machinery of the present process used to open and discutangle it) will be about fifty per cent, stronger and beavier, and will command the mackets of the world, dashinding all competition at advanced prices.

The undersigned is prepared to disgone of privileges to use his patent; and planters will be informed as to terms, with complete instructions how to use it, how is addata the best unchancery, and all other necessary particulars, on application addressed to Dec 6—2xVIII

Proposals for Live Oak.
